

Partnera Corporation
Press release June 4, 2025

Tomi Jussila appointed Sales Director of Foamit Group, a subsidiary of Partnera Corporation

Tomi Jussila (MSc, Eng) has been appointed Sales Director and member of the Management Team of Foamit Group, a subsidiary of Partnera Corporation. Jussila started in his position at the beginning of June. Jussila has more than 15 years of experience in international sales in the construction industry. He joins Foamit Group from Stora Enso, where he held the position of Sales Director, Building Elements in the Nordic and Baltic countries.

At Foamit Group, Jussila will be responsible for foam glass sales as well as sales coordination and management across the Group. "Tomi Jussila will strengthen Foamit Group's sales team and bring fresh insights to the continuous development of our operations. I am delighted to have him join our growing team," says Valtteri Raunio, Interim CEO of Foamit Group.

"Foamit Group is a strong Nordic circular economy company and I see great growth potential in foam glass as a recycled material," says Tomi Jussila.

The role of Sales Director is new one at Foamit Group, and the appointment supports the group's growth strategy. "Foamit Group is targeting a revenue of EUR 100 million and an EBITDA level of more than 20% by the end of 2028. Partnera will support Foamit's active efforts to achieve these goals and the strengthening of competences and resources is integral part of the strategy implementation," says Jussi Lappalainen, Partnera's Interim CEO.

Partnera in brief

Partnera is an international business group that promotes sustainable development with its operations through the companies it owns. Partnera Corporation's shares are listed on Nasdaq First North Growth Market Finland. www.partnera.fi

Foamit Group in brief

Foamit Group's business operations are divided into foam glass and glass businesses. Foam glass is used as a lightweight and insulating material in infrastructure and building construction. In the glass business, the company implements the circular economy by receiving and recycling glass waste for reuse. Foamit Group includes the Finnish subsidiary Uusioaines Oy, Swedish subsidiary Hasopor AB and Norwegian subsidiary Glasopor AS. Foamit Group is headquartered in Vantaa. The Group's revenue for 2024 amounted to EUR 41.1 million and it had 95 employees. www.foamit.fi
